

Health, Safety and Environmental

Training and Development Solutions

Protectus

consulting

In partnership with you, Protectus Consulting provide a complete solution to meet your health, safety and environmental needs.

From your initial enquiry, we can provide you with a solution specifically tailored to meet your exacting requirements.

Our team will work closely with you to ensure that the solution we provide is delivered professionally and to the quality you expect.

We will ensure that any of the solutions you choose from our extensive range of training and development courses is integrated into your business ensuring that you maximise your investment.

Working in partnership with you to deliver

to your business.

Sector Course Matrix

With our unique sector course matrix system you can see at a glance which courses are suitable for your business.

Select the course you require and request the course syllabus, alternatively use our sector course listings which identify all of our available courses relevant to your specific business sector.

Our training solutions have been specifically developed to meet the legislative requirements of each business sector.

We can develop training to meet your specific requirements, please contact us to discuss your needs.

Our Sector course lists are available for most business sectors; if your sector is not listed then please contact us. We can develop courses specific to you and your business.

We have training solutions available in the following sectors.

- Healthcare - NHS & Private
- Education
- Construction & Utilities
- Catering and Hospitality
- Entertainment and Leisure
- Emergency Services
- Business and Finance
- Manufacturing
- Public Sector and Administration
- Retail and Wholesale
- Transport
- Laundries & Dry Cleaning
- Motor Vehicle

The image shows three screenshots of the Protectus Sector Course List website. The top screenshot is for 'Sector Course List - Education', the middle for 'Sector Course List - Health Care NHS and Private', and the bottom for 'Sector Course List - Construction and Utilities'. Each screenshot displays a list of courses with details such as course ID, title, duration, and a brief description. The website also includes sections for 'Introduction', 'Statistics', and 'Legislation' for each sector.

Sector Course listings

Course syllabus

Each of our course syllabus literature defines

- Course duration
- Employee applicability
- Course Introduction
- Syllabus content
- Outline Objectives
- Topics Covered
- Learning Outcomes

All of our available courses have course syllabus literature, please request them or download them from our website.

Completing a Protectus training course will provide you with the understanding and competence to meet the increasing demands of legislation and ensure that both you and your business are positioned to act on them.

All Protectus courses can be customised to meet your specific requirements.

All delegates will receive a certificate of attendance.
